

Hi guys!

Welcome to my gem of a place! Sooo happy you could make it!! Can't quite believe it's finally happening... here we are, beginning our first few months of launch.

I'm gutted I can't be there to see you — I'm currently in St Tropez hosting, then dashing off again, Tokyo to Rome, eating my way around the world and stealing a little inspiration for our next menu update.

The team knows you're coming and will look after you beautifully, so settle in, order far too much, have a drink (or three!) and most importantly... ENJOY.

Wish I was there with you.

See you very soon!!
